

REQUEST FOR WAIVER OF \$75 MCLE NON-COMPLIANCE FEE

IN THE CASE OF A LATE POSTMARK OR A CARD NOT RECEIVED BY THE STATE BAR:

The State Bar of California staff have authority to waive the \$75 MCLE Non-Compliance Fee ("Late Fee") for only the following two reasons:

You (or someone in your employ) mailed your completed MCLE Compliance Card in a postage prepaid envelope to the State Bar on or before February 1, 2007, but:

1. The envelope was postmarked after February 1, 2007. ("late postmark")
OR
2. Your Compliance Card was never received by the State Bar. ("lost in the mail")

To request a waiver of the late fee for either of these **above-mentioned reasons ONLY**, fill out and mail the **declaration at the bottom of this page**. (Otherwise, see box below.) If your MCLE Compliance Card was lost in the mail and never received by the State Bar, you **MUST** also fill out and mail in a new MCLE Compliance Card for our records. Your request for a waiver of the late fee will not be considered unless we have a completed Compliance Card on file.

OTHER REASONS FOR WAIVER REQUEST:

To request a waiver of the \$75 late fee **for any other reason**, you must **send a written request detailing the reason(s)** for your request to the address listed below. Such requests will be reviewed on a case by case basis.

Please be advised that the \$75 late fee will **not** be waived if you did not receive your Compliance Card because you failed to properly notify the State Bar within 30 days of changing your address.

DECLARATION

I declare under penalty of perjury under the laws of the State of California that I, or someone in my employ, mailed my MCLE compliance card in a properly addressed postage prepaid envelope, no later than February 1, 2007.
